After exmatriculation you may continue to use the library of the university and city of Cologne until you have finished your exam, when you present a certificate that you are in the exam stage.

The notice of your exmatriculation and a certificate for statutory pension insurance for the time spent at the university will be sent to you when your application has been processed.

Please note: We recommend that you settle your health and pension insurance affairs immediately following the exmatriculation or when you have finished your studies.

Forwarding information to the *Landesamt für Datenverarbeitung und Statistik NRW*

On the occasion of your exmatriculation, the following information will be forwarded to the *Landesamt für Datenverarbeitung und Statistik NRW* [Department of the State of NRW for Data Processing and Statistics]:

Student registration number, last name, first name, birth name (if applicable), country of place of birth, sex, nationality, reason for leave; effective date of exmatriculation.

Legal basis:

The survey is made on the basis of the University Statistics Act (*Hochschulstatistikgesetz-HStatG*) of 02.11.1990 (Federal Gazette I p. 2414) in connection with the Federal Statistics Act (*Bundesstatistikgesetz-BStatG*) of 22.01.1987 (Federal Gazette I p. 462, 565) as amended by Article 2 of the Act of 17.12. 1990 (Federal Gazette I p. 2837)

We explicitly point out that your membership with the University of Cologne ends on the date of application for exmatriculation when you apply for exmatriculation with immediate effect.

This means that your right to use the student identity card as a ticket within the sphere of applicability of the NRW ticket or to use certificates of study in order to obtain benefits lapses as of this date.

This applies to exmatriculation with immediate effect from the day of application or with exmatriculation at the end of the semester (March 31 for a winter semester or September 30 for a summer semester).
