

## 1. Creating an account in KLIPS 2.0

As soon as you receive the admission from your faculty, please create an account in the UoC Campus Management System KLIPS 2.0: [uni.koeln/J8TCZ](http://uni.koeln/J8TCZ)

For those who already have a University account, please log in and follow the link below: [uni.koeln/FK5U9](http://uni.koeln/FK5U9)

Please log in to your existing account and enter an application for your doctoral study programme. Should you need assistance, please contact the International Office (see last page of this checklist).

» "Higher education entrance qualification" relates to your diploma or leaving certificate (e.g. high school) that permits you to enter university. Please choose as indicated below.

» When filling in "academic background": If the name of your previous university is not listed in the drop down menu, please type the name of your previous university into the line below. As grades from foreign universities differ from the German system, please enter the value 0,0.

## 2. Please upload the required documents in KLIPS 2.0

An official admission notification featuring your student ID number at UoC will be available for download in your KLIPS account as soon as your enrolment has been processed.

### 3. Enrolment

In order to finalise your enrolment please take the following steps:

- Upload a photo for the student ID card (UCCard) into your KLIPS-Account (Section "Next steps" under "Add data").
- Pay the semester fee (payment instructions can be found in your KLIPS-Account Section "Next steps" by clicking on "Social fee"). For Non-SEPA transfers please consider that any applicable bank charges are to your own account. Please make sure that the UoC receives the full amount of the semester fee.

If the address you entered in KLIPS is located in Germany or the Benelux countries, the UCCard will be sent by post. If you don't have a German address yet, you are welcome to pick up the UCCard from our Service Point - by appointment only.
