Pre-Arrival Checklist for Guest Scholars

Contact the Welcome Centre

- As soon as you know that you will be staying at the University of Cologne, please contact the Welcome Centre. We are able to help you with issues such as your visa, housing and insurance.

Please fill out our registration sheet: <https://portal.uni-koeln.de/en/international/international-scholars/registration-welcome-centre>

Check your passport

- To enter Germany, you will need a valid passport or an equivalent identity document (driver's license is not sufficient). This passport must be valid at least until the end of your stay in Germany and, if you want to extend your stay, correspondingly longer.

Make sure that you always use the same spelling of your names.

Check entry regulations and apply for a visa

- If you are a citizen of a **non-EU/EEA country**, you and accompanying family members will most likely need a valid visa in order to enter Germany. You can apply for a visa at the German Embassy in your home country or a German consulate representing the area in which you are registered or live. To know more about visa regulations, please refer to the German Embassy or check the information on this webpage: <https://portal.uni-koeln.de/en/international/international-scholars/visa-and-residence-permit>

Please be advised that if you are accompanied by your children, they have to attend a school during their stay in Germany. Let us know at

□ **Arrange for health insurance and other insurances**

- You should get in contact with your local health insurance company to arrange traveler's insurance for the first month in Germany. You need valid insurance to enter the country.
- After you arrive in Germany, you can come to our office and we will arrange for a long-term solution here in Germany. Please wait until you are in Germany to get your insurance, as many international insurance companies do not meet the national requirements.

□ **Plan ahead for housing**

- You can contact the Welcome Centre for assistance in finding a suitable accommodation for your stay. If you would like help with finding accommodation, please contact us as soon as possible.
- To maximize your chances, we recommend you to look on your own as well. For this, please have a look at the information listed on this webpage: <https://portal.uni-koeln.de/en/international/international-scholars/further-information-and-services/accommodation>
