## **University of Cologne's crisis management team develops new hygiene and protection regulation for the winter semester 2020/2021**

*New regulation will come into force on 1 October 2020, the currently applying hygiene and protection regulations expire at the end of September.*

The currently valid hygiene and infection protection regulations of the University of Cologne expire on 30 September 2020. The crisis management team has therefore drawn up a new hygiene and protection regulation for the winter semester 2020/21. It will apply from 1 October 2020 and is currently being agreed upon with the Faculties as well as student and employee representatives. The Senate will also be consulted shortly.

As soon as the vote is completed, you will find the new hygiene and protection guideline here: <https://portal.uni-koeln.de/en/coronavirus>
